SETUP NOTES: T1 and T3 are 53 inches edge to edge from the center array. All targets are 5 feet high at shoulders. Table is standard card table size. Shooting area is 3 ft by 3 ft, centered behind table.

Gun may not be propped up in any way.

09-07 It's Not Brain Surgery

Written Stage Briefing

It's Not Brain Surgery is a 6 round, 30-point Comstock Short Course. There are 3 Metric targets. The best 2 hits per target will score. The start signal is audible.

The start position will be seated on the chair, back against chair back, with your fingers laced behind your head. Your gun will be loaded and placed completely on the table, muzzle downrange. The gun must be lying flat and not propped up in any manner.

PCC: Same start position, loaded carbine—may extend past front of table, (i.e., downrange) but may not extend beyond the rear edge of the table.

On the start signal, engage targets from within the fault lines.
